# ENOUGH IS ENOUGH!

**By his own tests, Rishi Sunak has failed as Prime Minister.** NHS waiting lists have gone up by 330,000 since he pledged to cut them. Government debt continues to rise. The economy grew by just 0.1% last year.

Meanwhile, the Conservative party becomes more and more incompetent and divisive. The number of Tory MPs suspended from the party whip in the past 2 years is in double figures amid allegations of sleaze, corruption and racism.

**No wonder that more and more people are turning to the Liberal Democrats** to put an end to this terrible Conservative Government. They know that every vote for the Liberal Democrats is a vote to elect a strong local champion who will fight for a fair deal for you and for our community.

**2024 is our chance for change - your vote for Helen Maguire on 4<sup>th</sup> July will help to bring it about.**

**PM: We've failed  
to cut NHS  
waiting lists**

**"the broken promises of  
Rishi Sunak's tired and  
chaotic Government"**

## There's only one way to beat them here

**Local champion  
Helen Maguire**

**OR**

**Taken for granted  
by Conservatives**

Local campaigner Helen has a proven record of standing up for her community.

Helen is the local champion fighting to get a fair deal for our NHS and to cut the cost of living.

Only Helen can beat the Conservatives in Epsom & Ewell. No one else can win here this time.

Out of touch Conservatives crashed the economy, making life harder and more expensive.

Our NHS is in crisis. Conservatives have abandoned their pledge to cut waiting lists. Local patients are paying the price.

Conservative MPs voted to allow raw sewage to be dumped in our rivers and streams.

OUR HARDWORKING LOCAL CHAMPION

# Helen Maguire

*This is our chance to get a fair deal for Epsom & Ewell*

## 1 Fixing our local NHS

The NHS is on its knees, our two local hospitals are crumbling and the long promised new Emergency hospital has not been delivered.

Helen will fight for our new hospital so that our two local hospitals are freed from emergency procedures. The Liberal Democrats would invest in public health and prevention, whilst introducing a 24/7 hotline to book a GP appointment.

## 2 Building a fairer economy

The cost-of-living crisis has resulted in the worst fall in people's living standards in generations.

The Liberal Democrats would invest in infrastructure, innovation and skills to create good jobs and prosperity. We would make taxes fair and reform business rates, so boosting local businesses. At the same time, we must support those who are struggling financially.

## 3 Stopping sewage in our rivers

The protection of our environment has got worse under the Tories with sewage discharges polluting local rivers, the Mole and Hogsmill.

The Liberal Democrats would impose a sewage tax on the water companies, ban undeserved water company executive bonuses and create a tough new regulator which would have the power to prevent sewage dumps.
