

# Helen Maguire MP and the Liberal Democrats are **WINNING**

**LIB DEM 1st**

**CON**

Vote for a fresh start with the Lib Dems, or more chaos and confusion with Conservatives at county level and Residents' Associations locally.

On May 7<sup>th</sup>, people in Epsom are backing Helen Maguire MP's Lib Dem team. Other parties cannot form a coherent majority and have no credible plan for Epsom. Votes for Residents' Associations, Labour or the Greens risk handing control to the Conservatives and Reform.

If you're tired of chaos, there's a clear choice.

**IND / RES**

Vote David BUXTON and John HINDMARSH in Epsom West.

# Vote Lib Dem this May for a better Epsom

Local Lib Dems have vision, ambition and a plan for Epsom

## Building A Thriving Town

**Epsom Town & Downs candidates: Roy DEADMAN and Melissa BAYNES**

Roy Deadman and Melissa Baynes, Lib Dem candidates for Epsom Town & Downs, share **big ambitions for Epsom town**. As a businessman, Roy knows that a thriving town depends on supporting small businesses. Melissa's focus is on community, bringing people together and making sure everyone has a say in Epsom's future.

After meeting with the Business Improvement District, they are clear: good councillors should bring life, energy and opportunity back into our town centre.

**If elected, Roy and Melissa will work closely with Helen Maguire MP to help build a stronger, more vibrant Epsom for everyone.**

## Strong Services for a Growing Epsom

**Epsom West candidates: David BUXTON and John HINDMARSH**

David Buxton and John Hindmarsh, Lib Dem candidates for Epsom West, are listening carefully to residents' concerns about proposed developments.

They understand that Epsom is growing, but **believe new homes must come with the right infrastructure and community services to support them**. That means properly planning for GP and dental services, reliable bus routes and enough school places for local families.

**If elected, David and John are committed to standing up for Epsom West and working closely with Helen Maguire MP to make sure development is right for the community.**

## Helen's Success On Pavement Parking

Your MP has pushed the Government to finally act on dangerous pavement parking.

*Since being elected, I've made it a priority to get out and listen to you. Time and again, residents raised **concerns about pavement parking** and the dangerous use of mopeds in our town centre.*

*After months of campaigning, including hosting a debate in Parliament, launching a petition, pressing ministers for change and meeting council bosses, **the government has responded**. Councils will soon have new powers to tackle pavement parking, helping to keep pavements clear and safe.*

***I listened and I delivered.** It shows what a Lib Dem representative can achieve when local voices are taken seriously.*

*I know, with a **strong team of local Lib Dem councillors**, there is so much more we can do for Epsom - delivering practical improvements that make everyday life better.*

***On May 7th, vote Lib Dem so together we can do even more for Epsom.***
