## Epsom & Ewell

# A Fresh Start for East Surrey

**Local government is changing, so May's elections matter more than ever. Liberal Democrats will bring a new direction for Epsom & Ewell and East Surrey.**

Conservative-run Surrey County Council is over £1billion in debt; our roads are plagued with potholes; and children are being failed every day.

Though, Surrey County Council will be split. **In May, there will be an election for an East and West Surrey Unitary Shadow Council.** In Epsom & Ewell, you be voting on who controls East Surrey.

Last year in by-elections across East Surrey, people rejected the Conservatives' poor management and Reform's divisive politics - choosing Liberal Democrat councillors in seven of the nine contests.

After decades of Tory control and the decision to cancel last May's elections,

people want things to be done differently.

The Lib Dems are committed to **listening and working with families** and local communities. They'll work to **fix broken services**, including how we mend our roads.

Residents' Associations don't have the numbers to form a clear majority across East Surrey. The Liberal Democrats do! **In Epsom & Ewell, voting for the Liberal Democrats will ensure a clear plan and strong structure** to run local services properly.

Labour, Greens and the Residents' Associations can't deliver the change our area needs.

This May, the choice is simple: more of the same, or a **new vision and a fair deal with the Lib Dems**.

Potholes are still plaguing Epsom & Ewell. Your **West Ewell Lib Dem team, Sammi and Jeremy**, have taken action - co-writing an urgent letter with MP Helen Maguire to demand Surrey County Council **fix Longmead Road**.

### Clean Towns

Helen and the **Epsom Town & Downs Lib Dem team**, Melissa and Roy, are delivering practical improvements, including replacing the disused grit bin at St Martin's Church. **Keeping our town and green spaces clean** is a top priority.

# Safer Streets, Stronger Action

**Helen Maguire MP demands urgent government action on e-scooter and e-bike rules as misuse continues to disrupt parks and public spaces.**

## ACTION 1

*Listened to resident's concerns about how e-bikes / e-scooters are disrupting every-day life.*

E-bikes and e-scooters can be a convenient way to get around, but in Epsom & Ewell, misuse is creating real concerns. **Current regulations aren't strong enough.**

## ACTION 2

Helen Maguire MP is determined to change that. **Helen has raised this issue in Parliament, demanding urgent reform to close gaps that allow dangerous and illegal use.** Working with the charity, Jacob's Journey, she is driving awareness and calling for stronger rules to protect our community.

## ACTION 3

*Held a parliamentary roundtable to demand the government commit to reforming regulation ASAP.*

The government has promised a consultation, but we need action now. We need clear laws, proper enforcement and accountability. **Helen is calling on the government to reform regulation ASAP.**

## CONSERVATIVES AND REFORM UK

## TWO SIDES OF THE SAME COIN

Nigel Farage and Reform UK pose a real threat to our country. They want us to become more like Donald Trump's America - divided, cruel and dangerous.

And the chaotic Conservatives are still out of touch and out of ideas. They failed in Government, they **failed in Surrey**, and now they're failing to stand up to Reform UK.
