Conservative Council Chaos

Surrey Residents Replace Conservatives with Lib Dem Local Champions

Lib Dems are the antidote to
Conservative legacy of chaos

The Conservatives have lost majority control of Surrey County Council. This comes after a series of by-election defeats, most recently a Lib Dem WIN in Elmbridge.

Voters are backing Liberal Democrats who stand up for their communities.

The Conservatives have failed our community by mismanaging your money. From East Surrey's share of the £1.1 billion in Surrey County Council debt to some of the highest numbers of potholes in the country: It's no wonder residents are fed up and turning to the Lib Dems to fix things.

Shaky County Council finances will have a lasting impact on West Ewell.

What does this mean for YOU?

- » *Higher Council Taxes*
- » *Cuts to vital community services*
- » *Next generation pays the price*

This May is your opportunity to say NO to Conservative chaos.

This election will determine who sets the direction of the new East Surrey Unitary Council. With the Tory majority gone, Reform could get in and bring chaos to the council.

Reform and the Conservatives are two sides of the same failed politics. Neither can be trusted to deliver what residents deserve.

A vote for any other party is a vote for the Conservatives. In West Ewell, Labour and the Greens cannot win, and the Independents cannot form a coherent majority to make real change.

Only the Liberal Democrats can beat the Conservatives. To turn the page on decades of Conservative mismanagement, back Lib Dem local champions who will listen and stand up for our local community.

He works in the TV industry as a Project Manager, and enjoys walking in our treasured green spaces. **Jeremy believes that sensible, everyday people should have a voice in local decision-making, helping ensure the community thrives.**

Potholes are a daily frustration and a real safety risk for drivers and pedestrians alike.

Your Lib Dem team believes **Surrey County Council should be fixing problems properly first time, not relying on temporary patches.**

Helen Maguire MP: "This is a core service and the Conservative led County Council must do better. The Longmead Road in particular is in dire condition."

Your Lib Dem Team is calling for long-term investment and better maintenance. Residents must be able to travel around West Ewell safely and confidently.

Supporting Local Infrastructure

Lib Dem candidate Jeremy Smith is calling for suitable infrastructure to support affordable housing

Like many residents, **Jeremy is concerned that our local health infrastructure is insufficient for the Residents' Association's housing plan:**

"Whilst the housing will provide sports/recreation facilities and much needed footfall for local businesses, the new East Surrey Unitary Council must deliver services to match the growing population."

Lib Dem Jeremy will stand up for West Ewell when the housing plan falls to the new East Surrey Council. Only the Liberal Democrats can be trusted to deliver this plan for residents.

» E-Scooter Action

Helen Maguire MP is committed to tackling dangerous E-Scooter use

Residents across Epsom & Ewell have raised serious concerns about anti-social behaviour and safety risks linked to e-scooters - **it's clear the government's current approach isn't working.**

Helen hosted a cross-party Parliamentary Roundtable on illegal and underage e-scooter use. This brought together campaigners, police representatives and industry leaders to discuss policy solutions.

Helen will continue to press for national enforcement standards, mandatory age limits on sales, and stronger education measures to keep our communities safe.

Helen Maguire MP taking your concerns seriously.

SEND Crisis in Surrey Must End

Lib Dem Candidate Sammi Villabon is calling for better SEND support in East Surrey

Lib Dem Sammi is concerned that Conservative led Surrey County Council are allowing children with special educational needs and disabilities (SEND) to fall through the cracks.

As a sign language interpreter specialising in education, Sammi wants to join local Helen Maguire MP to make real change that will improve SEND services.

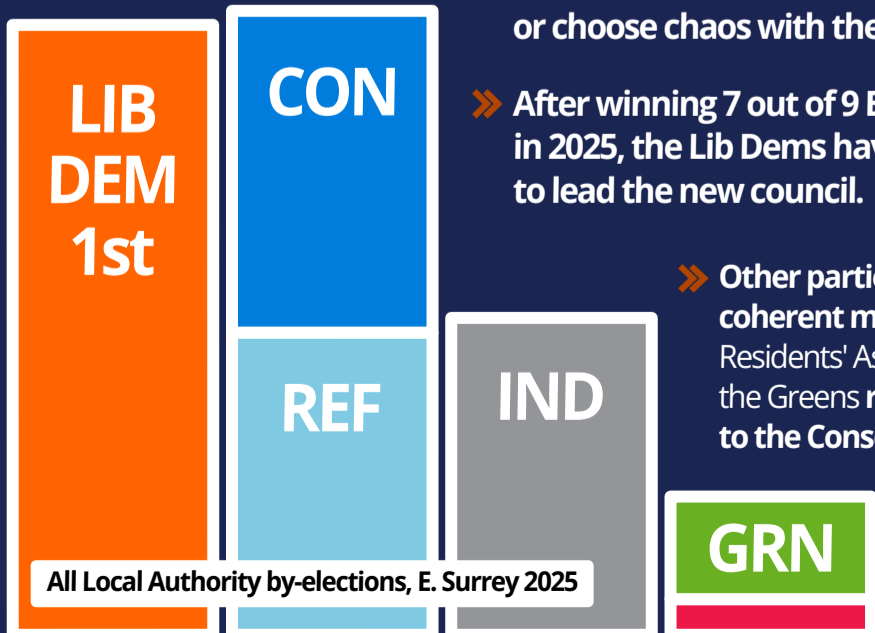

Sammi is calling for the new East Surrey Unitary Council to listen to families and put children and young people first. Only the Liberal Democrats are committed to making real change for SEND families.

The LIB DEMS are WINNING HERE

- » After winning 7 out of 9 East Surrey by-elections in 2025, the Lib Dems have the momentum to lead the new council.
