

It's always Lib Dems or Conservatives here

Labour finished a distant third here.

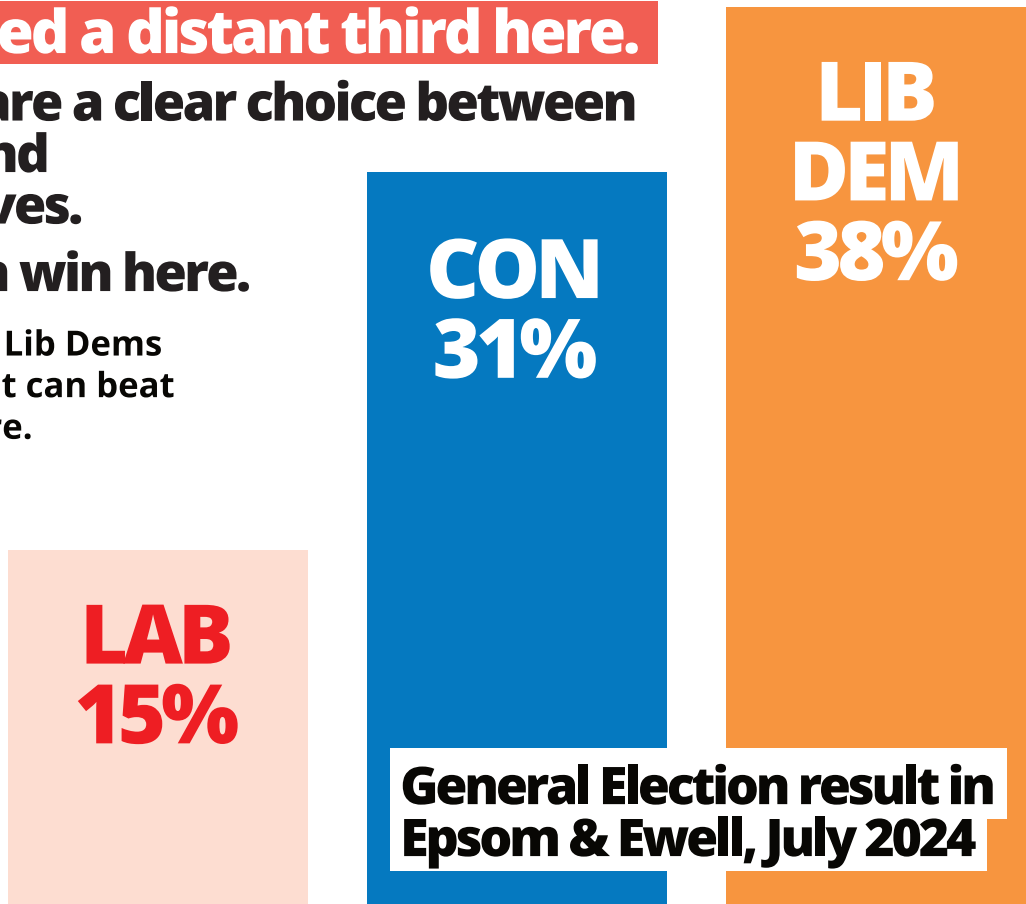

Elections here are a clear choice between the Lib Dems and the Conservatives.

No one else can win here.

People know that the Lib Dems are the only party that can beat the Conservatives here.

Labour can't win here. They have no local councillors and no record of action. At the General Election they finished third.

It's Lib Dems or Conservatives in Epsom & Ewell.

REPORTING BACK TO YOU

“ Since my first day as our new MP I have been working hard to get real, positive change on the issues that matter most for our area.

After years of failure and disappointment under the Conservatives, there is a lot to do - but I've already taken real action to fix the problems we face.

I'm fighting for Epsom & Ewell, and I'll always keep you updated on the work I'm doing. Inside you can see the start I've made on delivering a better future for our community.

Real action for our community:

- ✓ Fixing our NHS
- ✓ Demanding an end to sewage dumping
- ✓ Combatting the Cost-of-Living crisis

A local champion working for you!

LIB DEM ACTION ACROSS OUR COMMUNITY:

It's a real honour to be our local MP. This is my home and I'm proud to represent our area, here and in Parliament.

Here are just a few of the events and activities I've been to since being elected - meeting local residents and supporting local groups.

Here is just some of the work I have done in my first 100 days as your MP. It is such a privilege to be working for you. Thank you for your support!

1 Fixing our local NHS

Fighting for better health services and much-needed upgrades to local hospitals

I've met with James Blythe, Managing Director at Epsom and St Helier Hospitals, to ensure plans to build a new Specialist Emergency Care Hospital in Sutton and upgrade facilities at Epsom and St Helier hospitals move forward as planned. I'm continuing talks with Health Secretary Wes Streeting, urging him to stick to this plan.

2 Protecting our environment

Preserving our chalk stream, the Hogsmill, and cleaning up the River Mole

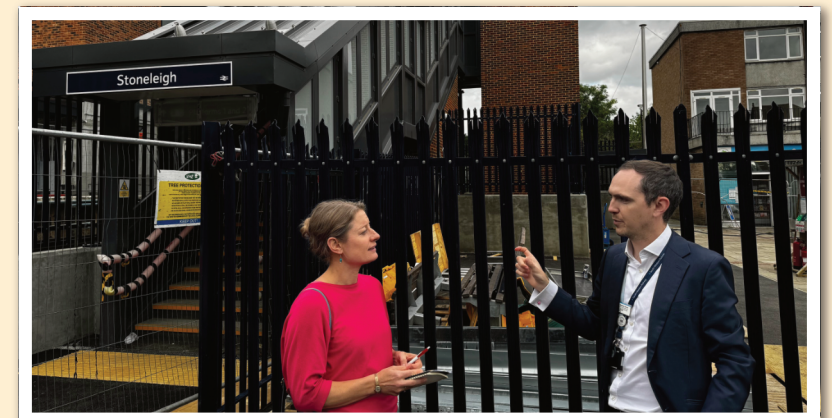

As thousands of hours of sewage continue to spill into our rivers and streams, I wrote to both Thames Water and the Environment Agency. I expressed my deep concern about continued sewage dumping and urged Thames Water to take immediate steps to improve local infrastructure. I have also called on the government to replace Ofwat with a new regulator that will hold water companies, like Thames Water, to account.

3 Combatting the Cost-of-Living crisis

Called on the government to protect pensioners from Winter Fuel Allowance cuts

Since my first days in Parliament, I have fought to protect the rights of our pensioners. I first opposed cuts to the Winter Fuel Allowance in Parliament on 10th September. Since then, I have challenged the government on changes to the Winter Fuel Payment eligibility rules that will adversely affect veterans.

Meeting with representatives from South West Rail, demanding an increase in frequency and capacity on our trains.

Visiting Sri Raja Rajeswary Amman Temple in Stoneleigh, as well as many other important community spaces.

Visiting Schools and Nurseries across the constituency, and finding out how they can be better supported.
